

Appointment of Corporate Advisory Firm to Assist with Divestment Process

Breakaway Resources Limited (ASX:**BRW**) is pleased to announce the appointment of PCF Capital Group to assist with seeking expressions of interest for the divestment of the Company's Scotia and Kambalda West Projects.

This is consistent with Breakaway's previously announced strategy of rationalising its extensive Australian minerals portfolio to enable it to focus on its core nickel sulphide exploration projects in the Leinster District of Western Australia.
